NATALIE

Ever since Natalia turned 18 a couple of years ago, she's been sexually active. Hyperactive is more accurate. She's fucked most of the single men (and several of the married ones) in her apartment complex. She joined a women's gym down the street, and spearheaded an impromptu lesbian orgy right in the locker room. When the gym manager threatened to revoke Natalia's membership, she crawled under the old biddy's desk and ate her gray-haired crotch to a series of knee-knocking orgasms. Today, Natalia is spending some "alone time" with her favorite sex toy. "I love shoving it all the way in," she says. "When the blue balls hit my clit, I cum." Make those blues disappear, Natalia!

Ask Anna: "For Peak Erection Quality and Enhanced Climax..."

Ask Anna: vol 32 Better Sex

This month I received a letter from a regular contributor of mine. She tells of her "dirty little secret" that has changed her love life and led to life-changing, mind-blowing sex.

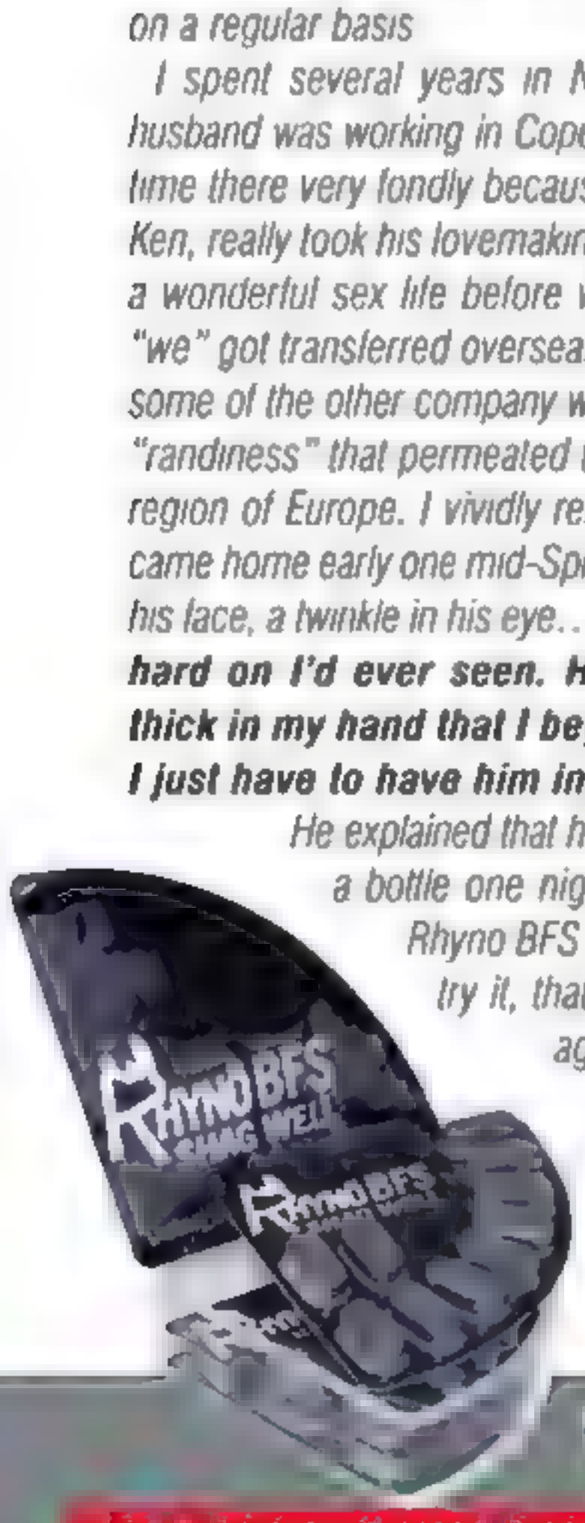
Dear Anna,

I have enjoyed your articles for quite some time now and I'm happy to finally see them in print, in the states, on a regular basis

I spent several years in Northern Europe while my husband was working in Copenhagen. I always recall my time there very fondly because it is where my husband, Ken, really took his lovemaking to the next level. We had a wonderful sex life before we were married and then "we" got transferred overseas. I had heard rumors from some of the other company wives about a certain natural "randiness" that permeated the male population in that region of Europe. I vividly remember the first time Ken came home early one mid-Spring afternoon with a grin on his face, a twinkle in his eye... and the ***most enormous hard on I'd ever seen. He just felt so firm and thick in my hand that I began to feel moist... and I just have to have him inside me, immediately!***

He explained that his co-worker had pulled out a bottle one night of a supplement called Rhyno BFS and told him that he had to try it, that he would never have sex again without it

Sincerely,
Steffani, Stowe, Ohio



Stef

It just so happens that I have heard of it. A previous partner of mine had it and we, too had the most intensely satisfying sex of our lives. Unfortunately, ***our entire relationship was based on our incredible sex*** and there wasn't much substance otherwise. ***That was quite a two month run we had in the bedroom, though!*** Most women that have commented on this product have said that just one tablet each day gives their partner the firm thickness that you described.

The place to get Rhyno BFS is RhynoBFS.com or by calling 866-794-0022.

I did a little research and Rhyno BFS is an all-natural supplement that increases blood flow into the erectile chambers and that causes ***a fuller, stronger feeling erection.*** But I need to warn you, Rhyno BFS is a very strong blood flow stimulator and "vasodilator" (which refers to the widening of the blood vessels) allowing more blood flow into the erectile tissue. If you have a heart condition or blood pressure issues, please consult with your physician From my experience with my previous lover I know that every woman out there should talk to her partner about experiencing sex with Rhyno BFS.

That's the scoop, ladies. ***Get your man on Rhyno BFS. It will change your sex-life!*** Thank you so much for writing Stef, and reminding me to bring this amazing solution to the attention of my readers! And as far as changing your sex life ladies, check out MyFEMOS.com. for information on *FEMOS (Female-Extended-Multi Orgasmic-State): A Man's Guide to the Female 60 Second Orgasm*

RHYTHM OF LUST

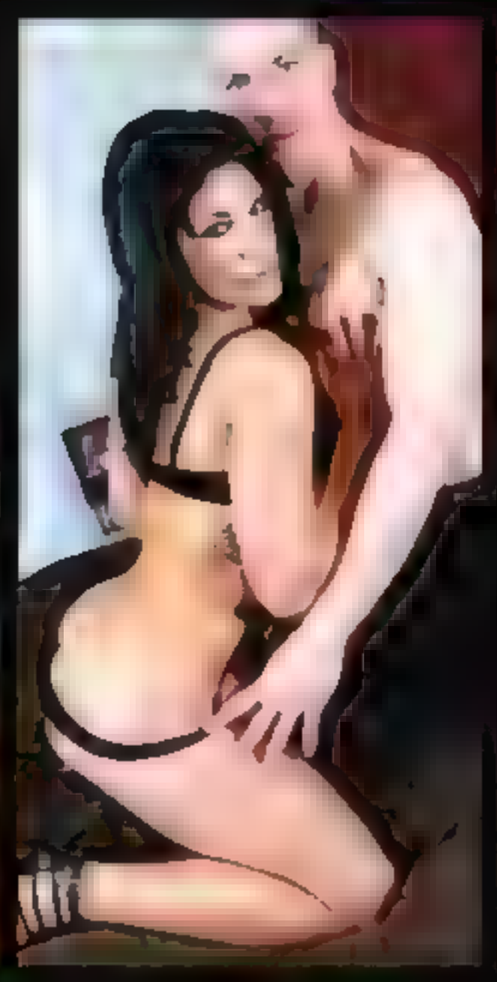
Amateur Female Body-Builder Can Suck-n-Fuck Like A Pro— But Can She Play Drums?

By Jason Daniiak

When Alicia Andrews arrived at Real Productions' studio, producers had a very strange question for her. "Do you have any musical talent?" they asked the exotic beauty. Wondering if she was at the wrong audition, Alicia replied, "I can play drums a little. Why?"

The studio responsible for such TV series as *Make Me a Porn Star* and *The Boy Nexxt Door* were busy casting a new reality series called *Tight* which required them to assemble an all-girl porn star rock band. Finding porn star musicians had proven very difficult—most agents didn't bother asking if their girls had musical talent outside of the skin flute.

Over several months they had slowly assembled the band: Monica Mayhem on vocals, Layla Labelle on guitar, and Tuesday Cross on bass. But a drummer had eluded them...until now.



Down the hall, porn stud wannabe Tatum Wright was also a drummer. Not that anyone cared. Producers were looking for a chick drummer, so the only skins Tatum would be asked to pound were of the female variety.

Like most guys who apply with Real Productions, Tatum had no previous experience, but had long dreamed of appearing in an adult movie.

Like Tatum, Alicia had no previous experience either, but had become very popular on a web-cam site for female body-builders. The former fitness model hadn't thought she'd be able to compete with the muscle-girls on the site, but despite her feminine curves—or perhaps *because* of them—she had become the site's biggest attraction. "It was funny, half my clientele were the other girls on the site. And they'd ask me to do dirtier things than the guys would!"

Because the site forbade hardcore—nude poses were the limit—Alicia soon found herself being stifled.

"I realized I wanted to try a lot of the sexy things people were messaging me." The 21 year old had very limited sexual experience. She'd never been with another girl, or tried a threesome—or even played with herself in front of anyone. "That would have got me kicked off the site. Although what my hands did under the desk was another matter."

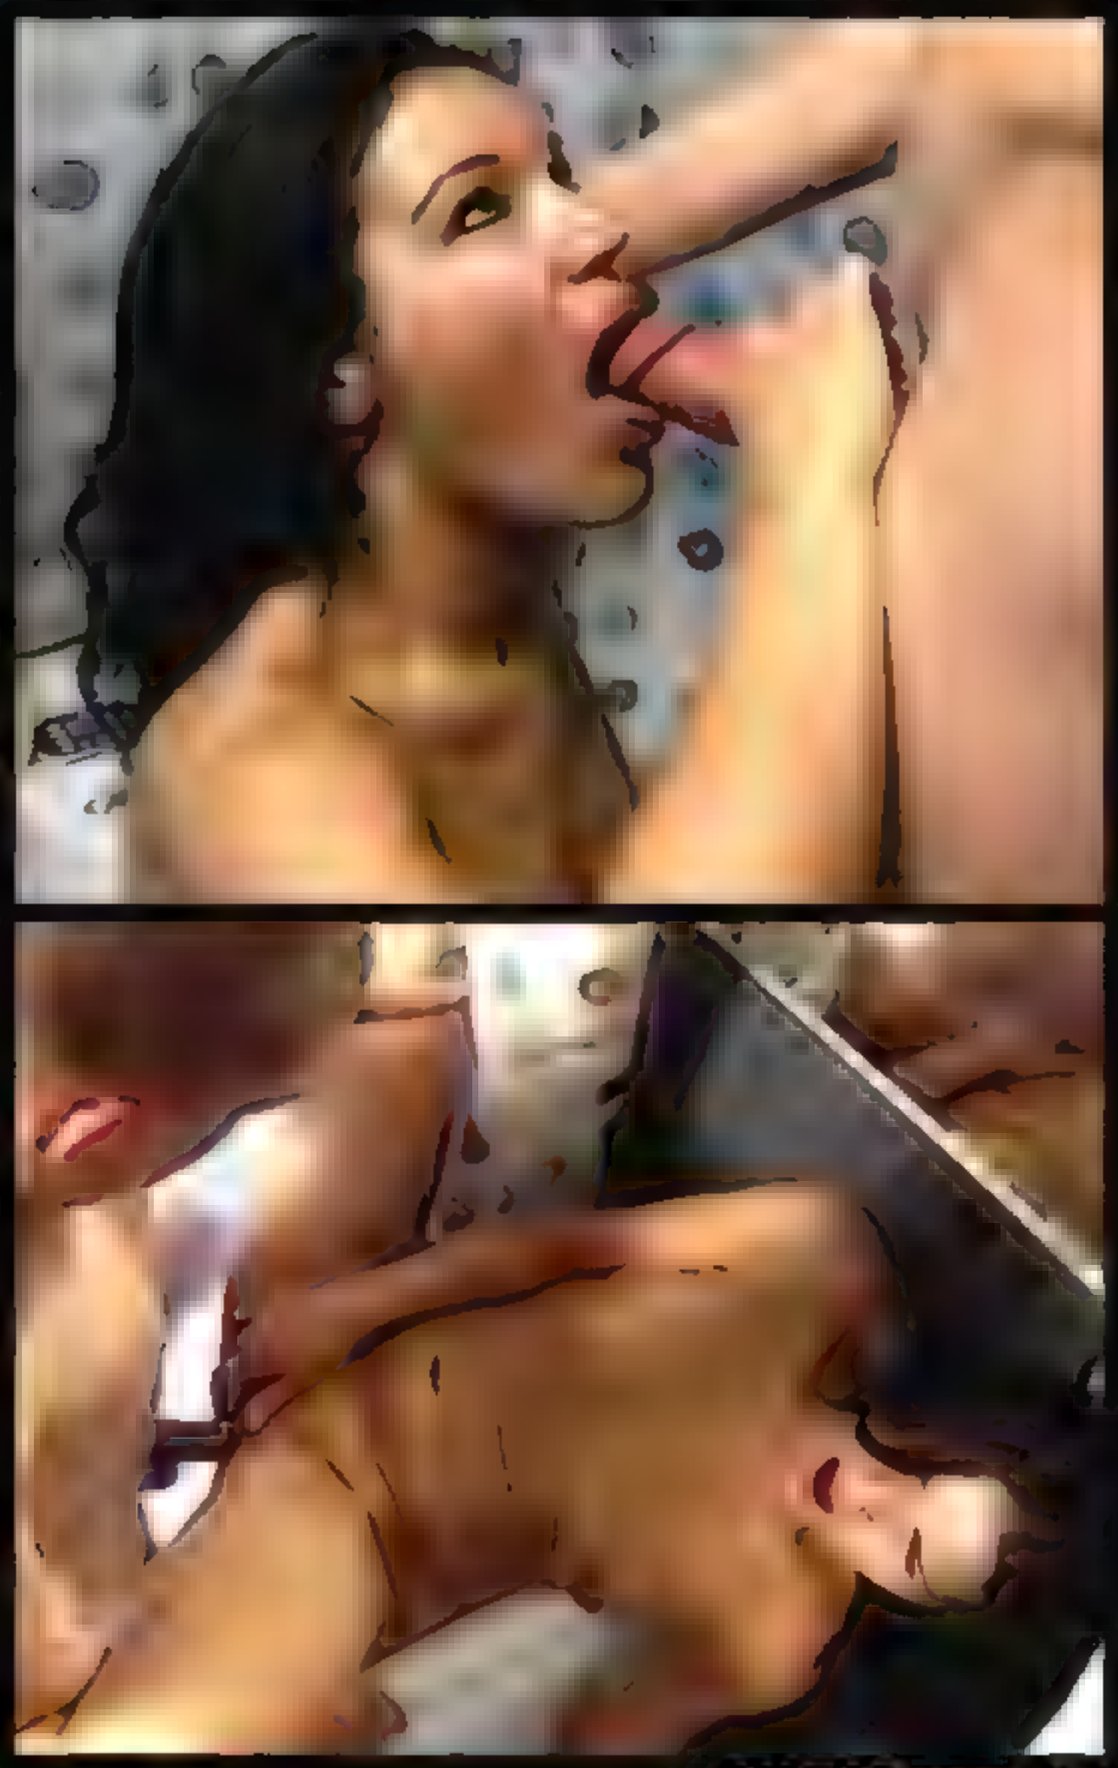
Hearing about Real Productions' First Time series, which casts raw amateurs in a series of fantasy scenes, Alicia was intrigued. But when she learned of the chance to do porn—and join a kick-ass band at the same time—she was hooked. In order to win the part, she offered to take drum lessons every day for a month—at her own expense—and then audition for the show. Producers agreed but there was one other matter to attend to first—Alicia's screen test.

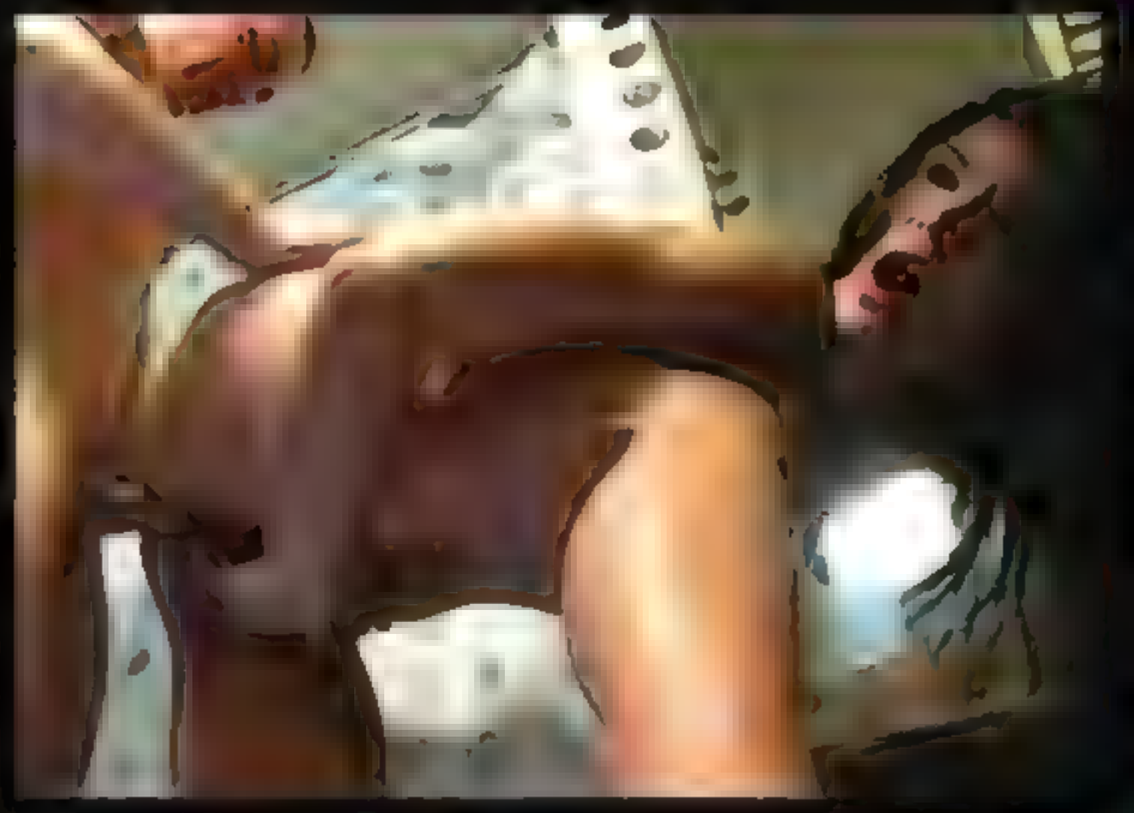
Tatum would also be required to do a screen test. When most people think of a screen test, they imagine a guy having to get a hard-on in a room full of producers with nothing more than his imagination—or maybe a magazine like CHERI—to help him. At Real Productions, the process is infinitely more enjoyable. The guy is cast with a real live girl, and the screen test is filmed as a bonus feature for her movie.

Tatum was surprised to hear this. Even though he'd been asked to bring his STD test results with him he wasn't expecting to actually perform. "Is that a problem?" producers asked. Tatum shook his head. He was here to become a porn star. No time like the present.

Alicia felt the same way. Told there was a brand new male performer in the next room, she smiled. "Bring him in, and let's do it." Watching Tatum walk in, Alicia was relieved to see he took as good care of his body as she did her own. Tatum wasn't complaining either. Alicia was hot!

While Alicia sat on the bed, Tatum was directed to have a seat in a nearby chair. "I want you to put on a show for him," the director told Alicia. "Get out of those clothes and touch yourself. Get off if you can. And then invite Tatum to join you and show us what you've got."





Doing in person what she'd not been allowed to do on cams was a little odd for the newcummer, but she soon got into it. Tatum was into it too, especially when Alicia stripped off her clothes, and revealed the tight little body beneath.

"That's it," the director encouraged. "Use your fingers. Stick them right in." Alicia happily thrust two fingers of one hand inside her wet twat, while the other hand rubbed her clit with authority. "Oh, I'm going to cum," she said, sounding surprised. "Here it cums!" Lifting her hips off the bed, Alicia came loudly, a little white cream glistening in her opening.

Licking her fingers clean, she invited Tatum to join her. He was eager to do so, and had already stepped out of his pants by the time he crossed the three feet from the chair to the bed. He was rock hard and ready to go.

Alicia wasted no time going down on him. Watching his cock slip in and out of her wet mouth, Tatum grinned sheepishly. "This is even more fun than I expected!"

Alicia gave him head for several minutes, and then Tatum returned the favor.

"I love the taste of a pussy after it cums," Tatum told the excited girl. It wasn't long before she was cumming again.

"Fuck her doggy first," the director said. Tatum looked worried. "Uh, can I fuck her doggy last? I'll cum too fast that way." The director shrugged. "Makes no difference. First, last, do what you got to do."

It was agreed Alicia would ride him reverse cowgirl first, and she happily climbed on top, but facing the wrong way. The director laughed. "Honey, what's reverse about that? Other way, if you please."

Getting it right, Alicia bounced up and down on Tatum's cock, her perfectly toned thighs making easy work of it. "Now turn it around," the director said. "Let's see that ass." Blessed with a fantastic ass, Alicia rode Tatum cowgirl until it became obvious he would give out before she did.

Pushing her on her back, Tatum fucked her missionary, and then exclaimed, "I'm ready!" Forgetting the director's earlier instructions to cum on her face, Tatum shot his load all over her stomach and tits. "How was that?" he asked the director.

"Great, but where was my money shot?"

Realizing his mistake, Tatum said, "I could do another one if you want. A little doggy and then I'd be good."

Alicia was game and got up on her hands and knees, wiggling her ass invitingly. Tatum shoved his still dripping cock into her wet pussy, and fucked her for all he was worth. True to his word, he needed only a few minutes, and then he was ready to cum again. This time there was no mistake, and Alicia flipped onto her back in time to get a face full of cum. Opening wide, she let him shoot his goo inside her mouth and seemed to love every moment of it.

The director was impressed. "Great recovery," he told Tatum. "And Alicia, if you can drum, you just might be the perfect woman!"

A month later, Alicia blew producers away at her audition, and was signed as Tight's percussionist. There's a very bright future ahead for her and Tatum both.

Times are tough. When 24-year-old Asa Akira started appearing in adult films back in 2006, work was plentiful. Now she's lucky if she gets ass-fucked and cum-blasted a couple of times a week. Damn, recession! Asa has some unique ideas about stimulating the economy, at least when it comes to her personal finances. She stands outside her Hollywood apartment with a sign that says, "Please Feed The Models." She figures she'll get a meal out of it, and she's right. Before long she's gobbling down two, foot-long tubesteaks, and boy, do they taste delicious! "Oh, I love you boys long time! Your cocks...so big!" Asa's accent is thick and completely bogus. Even though she's lived in Japan, she was born and raised in Brooklyn. She's more American than the two Euro-trash dudes she's blowing! Still, she plays it up good, and after the men fuck her holes and splatter her face, they promise to return tomorrow. Asa knows they will. She crosses out "Feed" on her sign and writes in "Pay." Business is looking up!

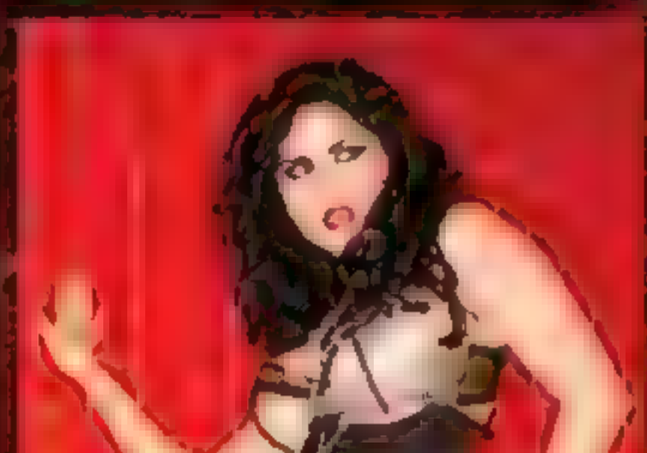
INTERVIEW WITH A
PORN STAR

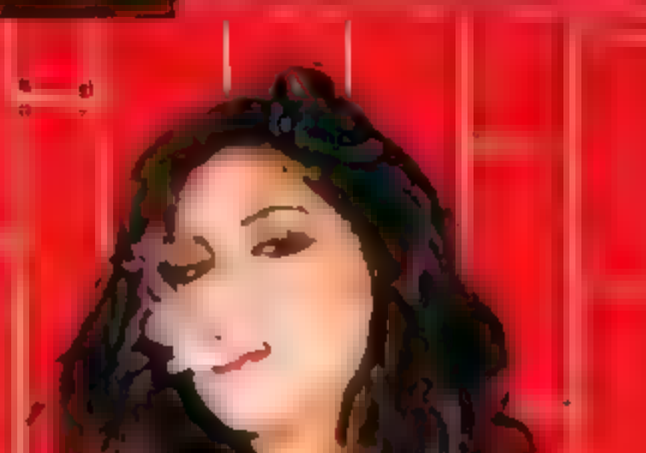
Sunny

XXX forecast calls for hot, sunny days ahead.

Interview by Kotch Johnson

It's funny and ironic that a girl who used to work at Jiffy Lube would become one of the most popular porn stars working today. There are all kinds of Jiffy Lube pic jokes you can make about her employment past and present. She used to work at a German bakery, too, so you can make a bunch of jokes about her massive muffins and hot buns, as well. But Sunny Leone is no joke. She's one of the most popular porn stars working today, and has been since entering the adult entertainment industry nearly ten years ago. She's made some hot, fuck flicks and has a loyal—and sizable—fan base that eagerly awaits her next video release or web site update. When Sunny's not appearing naughty and naked, she enjoys abstract paintings, horse riding, reading, playing *World Of Warcraft*, and watching *The Simpsons* and *The Discovery Channel*. Oh yeah, she can also change your car's oil in less than ten minutes and make a kick-ass strudel or linzer tart.





When did you realize your calling to become a porn star?

I realized it after I won Penthouse Pet of the Year (*Ed. Note: In 2003*) I never took it seriously until that happened. I loved my job, and was having so much fun, but I didn't put it all together in my head until then

Have you ever danced professionally?

I have danced at a strip club, and feature danced, but I never did any mainstream dancing.

What are your feelings about plastic surgery/breast augmentation?

As a woman, you should do whatever makes you feel good. I waited until I was 25 years old to make sure that getting my boob done was what I really wanted. I love them more now. I did a lot of research, and I knew everything about what was going to happen to me, all the complications, and all the good things, as well. I knew my doctor well after calling every day for two weeks asking questions. Let's just say his office got a little tired of me bugging him!

What's the best thing about being a porn star?

The best thing is the travel. I've gotten to travel the world because of my profession. I also get to do something different every day.

What's the worst thing about being a porn star?

Well...the travel! I travel so much that my life at home is limited. You never know what it's like to miss home until you are on the road every week in another city. But luckily I have a great family and good friends, so that when I do see them, I get to pick up where we left off

I honestly haven't watched a porno in years

What's the last concert you went to?

AC/DC. Woo-hoo! It was absolutely amazing. Hells Bells!

What's on your CD player right now?

Nothing. I listen to radio a lot, and Sirius Radio to stay up to date with what's going on in the world of music.

Do your sexual attitudes change once the cameras start rolling?

Yes. They become heightened to what's going on around me. You become really aware of your

INTERVIEW WITH A PORN STAR

body and how you move it. Right down to something as simple as where to move your feet and the direction to point them

What are the pros and cons of being a freelance performer versus a contract star?

You can work every day as a freelancer, and make a lot more money. But you have to be careful because an agent will book you so much that you will be overshot and out of demand. Being a contract star allows you to develop your career over a number of years. The only place people see you is in that company's product. In my opinion, if you are looking to make adult entertainment your career, then a contract (if you can get one) is the way to go. Your career lasts a lot longer than shooting for every company out there. You never know what a lot of these independent studios are going to do with your content.

Does your family know what you do for a living?

Yes, and they respect my decisions

If you could change one thing about yourself what would it be?

What would I change if I could only change one thing about myself? My back fat

What kind of stuff do you like to read?

I love reading all sorts of stuff...right now I read just about anything

I was born a perv...I can be worse than most men out there!

What's your favorite porn movie?

I honestly haven't watched a porno in years. The last one I watched from start to finish was Jenna Jameson's *Masseuse* It was brilliant how they shot it. I didn't see Jenna have sex until the very end of the movie, and that's what kept me watching. I usually get off to soft-core porn. It might be hard to believe, but I always watch it on TV.

If you could have dinner with anyone living or dead, who would it be?

Marilyn Monroe.

If you won the lottery tomorrow, what's the first thing you'd do?

Give a lot of it to my Dad, and then go to Italy or Paris for three months

Do you have anal sex in your films?

I just did my first anal scene with Tori Black, which turned into a DP for my new movie, *Gia: Portrait of a Porn Star*. It will be released in June.

I had sex in the bathroom of a club once, on top of the sink

What's the most perverted thing you've ever done?

I was born a perv...I can be worse than most men out there! I guess you'll have to hang around to see it.

What kind of music do you enjoy listening to?

I love '80s anything

Which of your movies are you most proud of?

I like all of them. I'm most proud of the fact that I've started up my own production company, (*Ed. Note: Sunlust Pictures*), and we've been able to stay on top and not sink like so many others. My partner and I fund everything on our own, and shoot about three-to-five different projects a month. I'm more proud of that than any individual project.

What does the future hold for you?

Well, I'm shooting *Gia* right now. I am always working on my web site, **www.sunnyleone.com**, which has something new all the time. I have a lot of new things that I am doing, and I am sure you will hear abut them very soon

Anything you'd like to say in closing to the CHERI readers?

Buy my movies! Hehe! Don't download free stuff because sooner or later there won't be many productions companies making content anymore because you'll put them out of business. We all want to give you the best content we can... especially CHERI! ●

RAVEN & JESSE

Digital Playground gets each of its contract girls a membership to the Chatsworth Gym—gotta keep those tummies flat and those buns as firm as steel. But, even though you can take a porn star out of the bedroom and put her in a gym, she won't stop being a porn star. That's why Jesse Jane and Raven Alexis slip away from their personal trainers and meet in the sauna room for a "lezzie break." "Damn, that StairMaster hurts my thighs!" Jesse said. "Make me feel better, Raven. Eat my pussy.. please..." So polite, so horny. Raven dives right in, and moments later Jesse returns the favor. The trainers bang on the sauna door, but the girls have locked it behind them. Back off, guys. Can't you see these girls are working out?

MIKE ADRIANO'S POUND THE ROUND

Digital Sin #5

ALL STAR EDITION P.O.V.

Girl after girl, hole after hole, director Mike Adriano keeps reeling them in and stuffing their mouths, gashes and asses. For this fifth volume of the popular Digital Sin series *Pound The Round POV*, Mike brings in a quintet of horny lasses, Alexis Texas, Ashli Orion, Jayden James, Rachel Starr and Shyla Stylez, all of whom are as eager as he. Most of these girls are well-established, their credentials jammed into their twats and splattered across their faces thousands of times. They know how to hold up their end of the bargain, and what a bargain it is. And that greedy bastard Mike keeps them all for himself.

It's all the same to us fans of seeing cock stuffed into a beauty. Alexis taunts him with her ass while giving up her pussy, while Ashli is more than eager to open her back door. Jayden ends up with a pink eye full of white muck, and Rachel teases with her ass but won't actually give it up (yet). Not surprisingly, Shyla gives Mike—and us—her all. If only we could thank her in person.

ALEXIS TEXAS

Few girls in the world know how to work their asses to their advantage like Alexis. It's not just the way she shakes it for our approval before the fun begins, but the way it moves like a magnet toward the camera as his cock slides deep into her gash. The dark lips of her pussy surround his pecker like cops putting the squeeze on a robbery suspect.

As his long shaft slides in and out, her asshole teases with its endless pucker and the thought of one day crossing that threshold into her backdoor between her bumpers. "Fuck me with that big cock of yours," she tells him, "don't hold anything back. Just fuck me!" She gets on top, butt protruding majestically as she glides up and down his body, letting his cock enjoy the full depth of her snapper. When he goes back to doggie, we see once again that her wonderful rear view as she moans through orgasms, jerking as her body trembles with excitement

He reels back, cock in hand, jerking madly until splish-splash, Alexis' ass is taking a bath in the flood of jizz he splashes across her cheeks. "That's an awful big load, honey," she says with a smirk. "I bet you spray that to all the girls." She bet right.

ASHLI ORION

We get an idea early on which direction this scene is headed. Somewhere between the time that her fishnets get ripped open for access and she shoves a toy in her ass while spreading her pussy wide open, it is clear that anal pounding is on the menu.

Following a wide-eyed blowjob, Ashli gives him the key to her snazzola, but he breaks down the door anyway. With hardly any tits to obscure her view, she watches as his long dong slams her pink dot and she obviously has something on her mind. Finally she just says it: "I want you to fuck my ass—hard!" She starts on top, pulling her ass cheeks away from her butthole, clearing him for landing. He takes off in a frenzy, chiseling away at her ass like a jackhammer. She opens easily, moaning approval, eagerly allowing him to utilize his backstage pass. While pumping her from behind, he takes his thumb and pointer finger and squeezes her ass cheeks around his wet dick, tightening the vice.

With Ashli riding him cowgirl and her asshole giving his cock the clampdown every time she cums, Mike has finally had too much and pulls out, quickly setting up next to her before blowing an enormous series of blasts across her ass, leaving her well-worn cheeks covered in his manly batter.

JAYDEN JAMES

As we watch Jayden undress we can see that she is the full package—a woman of great curves and dangerous intersections, her mouth and pussy a pair of black holes that threaten to suck in anything that dares come near. Mike dares.

Prick in her mouth, she tickles it gingerly with her tongue, dancing up and around the shaft before taking the bulk of it into her mouth. She sucks hard and pops it out of her mouth, his cock springing away from her face and then right back into her mouth. She strokes him quickly, looking up at Mike, asking if he's ready to screw her pussy. He is.

He turns her over and sets her down so she's elevated on the end of the couch. She spreads the flaps of her pussy open and his cock slides in almost to the balls with his first stroke. "That's right, don't hold back," she dares him. "You know how to fuck my pussy!" He pulls back for a couple half strokes and then unloads his barrel, cracking into her slit. He moans and laughs and then asks if she can ride his cock. She gets up, hovering above him as her pussy surrounds his cock and then she bounces. Left with little to do but enjoy, Mike digs his thumbs into her ass cheeks and pulls them apart to reveal an asshole that he puts on his list for later.

After making full use of her box, Mike takes his matter into his own hand and explodes his batter all over her ass cheeks. "I love feeling that warm cum dripping down to my asshole," she says with a wink. She'll be back.

RACHEL STARR

Wearing blue jeans with her ballcap turned backwards, it would be easy to see Rachel as a tomboy who just wants to pal around with the fellows, but she's more likely to lap around the fellows' cocks in her tireless pursuit of dick and its sacred juice

She plays up her shock regarding the size of Mike's prick, only to devour it like she has full buffet privileges. Her chug-a-chub gets his dong wet and ready and soon she is riding in style, his stiffy stuffed into her girlhole, threatening to keep it forever. When she pushes her ass back we can see the stress on his cock as it bashes the inner walls of her bat cave. When he turns her onto her hands and knees, he gives her the straight entry, plugging that snatch with his rod with long, deliberate strokes.

Her pussy hides his sausage well, but when he pulls out to put his jam on her derriere, all bets are off. He writes a love letter with his sperm, though it's hard to read. She looks back at the spill of white oil across her cheeks, admiring his load. "Thanks for the special sauce," she giggles, rubbing it in and then tasting a bit off her finger. "That's tasty!"

SHYLA STYLEZ

Shyla is pumped up these days. Her tits are massive globes measuring in at 36DD, while her lips are officially at nightcrawler status. And that pussy, she can stretch those lips further than most men want to think about. This is not a girl for beginners.

Mike is no beginner. All he has to do is get his dick hard—no problem when faced with a cock whore like Shyla—and let her get to work. She gives his penis a workout with her mouth, working it from the head down to the balls, then squeezes it tightly between her robo hooters, sliding up and down for a sleazy titty-fuck.

He first delves into her cunt, letting his cock wander the path of her snatch for a couple minutes as though it's practice, and then he goes for the third door. She plays up her tightness as he guides his cock inside the brown entrance. Her tune quickly turns to glee as he stretches the seal on her ass and unleashes his prick, balls slapping against the babe's clit.

It's all build-up to the climax-tic ending, with Shyla going first and then Mike pulling out of her rump and setting up next to her face. With her tongue hanging out and eyes close, she awaits his wicked sauce, and he covers her face and tits in just a few seconds. Another hot chick, another load lost.

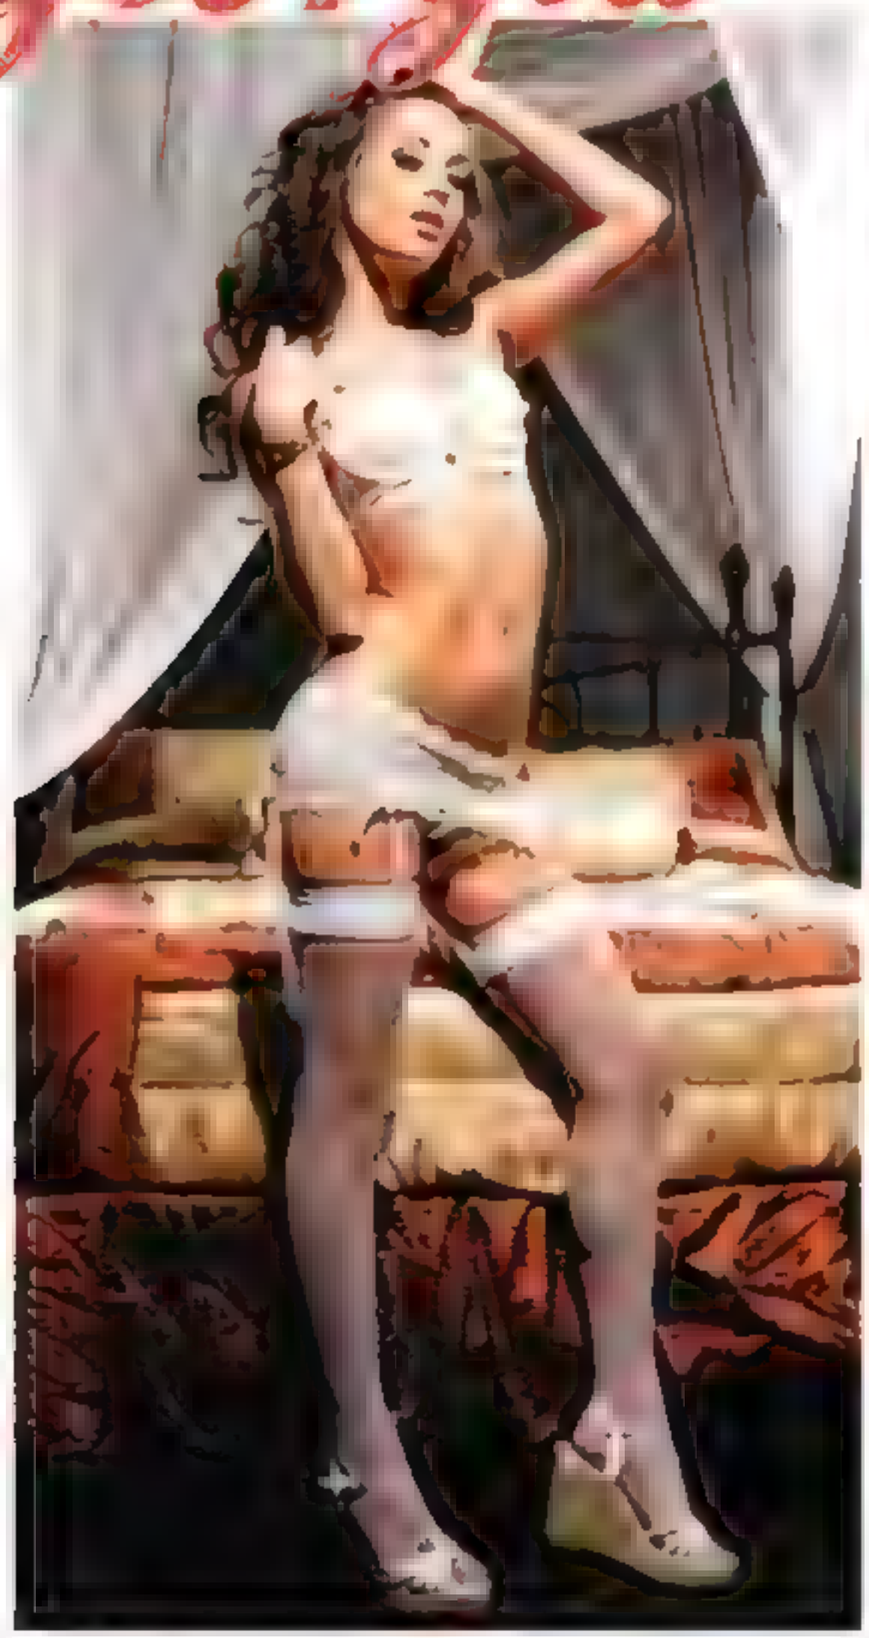
Georgia



Remember being 22 years old? You were horny all the time and your body was in its prime, your muscles hard, your abs tight and flat, not an once of flab anywhere. No, we weren't like that at 22. We spent most of our twenty-second year drunk, stoned, and jerking off. Not much has changed, realy But Georgia Jones knows what's it's like to live life in its prime. She just turned 22, and the world is her oyster. "I don't like oysters," Georgia says. "I know they're an aphrodisiac, but they're gross! I much prefer chocolate. I'm an old-fashioned girl. If you want to seduce me, bring me flowers and a box of chocolate!" Sounds simple, Georgia. We're heading to the gift shop right now. Do you mind if we bring a six-pack and a baggie-o-weed? They're aphrodisiacs, too, but so much tastier than oysters...

julie

Joe doesn't even know the other guy, but he knows Julie Silver. They've been "dating" for a few months (Julie's idea of dating involves lots of fucking and not much else). So Joe's surprised when he shows up for his Friday night date, and finds Julie sucking off a stranger. Who is this guy? What's going on? Julie's only answer is, "Get naked, Joe. You're late to the party." So Joe gets undressed and taps Julie on the shoulder with his semi-erect cock. She pulls away from the stranger's drool-covered penis, and mouths Joe's joint until it's as hard as a railroad spike. Then she blows both men, bobbing between their stiff pricks like a trained seal playing horns at the circus. It's weird when Joe feels the spongy tip of the other guy's cock pressing against his own inside Julie's mouth, but he tries to ignore it, and focus on the sensation of Julie's tongue gliding over his shaft. This is certainly one of the strangest dates Joe has ever been on, but it's also one of the most exciting, too. Still, he might skip the goodnight kiss. ●

DES MOINES, IA

DES MOINES BEBAUCHERY

Join CHERI backstage at Iowa's hottest strip club!

Dirty in Des Moines

What do you do when you're in Iowa? If you're like most Iowans, you get a job in agriculture, growing corn and/or soybeans. Or you become a pig farmer. Or you can go to work at one of the many insurance companies located in the state. Or you can say, "Fuck it!", head over to the state captial in Des Moines, and plant your ass in a seat at Big Earl's Goldmine. There, you can watch the hottest women in the state shake their bare tits and spread their wet beavers inches from your hungry eyes. Take a whiff—you can smell the excitement at Big Earl's. It beats the hell out of spending the day in a pig poke!

Serenity now!

McKenzy's Moon...so round, full and glorious. We wish we could land on it.

Big Earl's favorite, Lolly Topps, squeezes in some time on stage.

Hey, where did your cigarette go?
No worries, we've got a pink ciga
in our pants you can puff on!

Birthplace of Presidents...and hot pussy!

Iowa is the birthplace of President Herbert Hoover, who served in the White House from 1929-1933. Unfortunately, Hoover sucked worse than...well, a Hoover! He failed to bring the nation out of the Great Depression, which is why Theodore Roosevelt kicked his ass in the 1932 election. Former President Hoover became "the most hated man in America"—Roosevelt even stripped his name off the Hoover Dam for a while (it was called the Boulder Dam for years). How does this relate to Big Earl's Goldmine? It doesn't at all. We just wanted to give you some state history to think about before we got distracted by all the hot naked chicks. Once that pussy gets shoved in your face you won't be able to think of anything else! And, really, what else is there to think about besides pussy?

Iowa is the Hawkeye State. Why? Why not the Shaved Juicy Beaver State? Why not the Permanently Horny State? Why?

DES MOINES, IA

There are going to be assholes no matter what club you visit

Where local girls and XXX superstars collide!

One of the coolest things about Big Earl's Goldmine is the blend of dancers who work the club. You'll find plenty of home-grown Iowa hotties working the stage; local girls who are as fresh and tasty as the cornfields they walked out of. You'll also find some of the top names in adult entertainment feature dancing alongside these naked newbies. It's a true flesh-feast at Big Earl's, with a girl (or two) to suit every erotic pallet. Trust us, these girls will whet your appetite. You might find some wet spots in your pants, too, before the night is through!

Check out **Big Earl's Goldmine, 4745 NW 2nd Street, Des Moines, IA.** Tell 'em CHERI sent you!

SEX, LIES & SPIES ⚡⚡⚡⚡⚡ (Wicked Pictures)

Starring: Stormy Daniels, Kaylani Lei, Ariella Ferrera, Devon Lee.

Wicked's first big movie of 2010 will not disappoint, it's packed with fiery sex scenes featuring top-notch girls, and lots of guns and action. Stormy Daniels plays Raven, a top assassin who's on her last assignment. But her evil boss, Brad Armstrong, won't let her leave that easily, so he sends his number two, Hawk (Kaylani Lei), to finish her off. Lots of shooting, ass kicking, and fucking ensues before we find out if Raven survives the hit. This sexy spy thriller begins with a nice opening shot of Stormy riding a big cock she's about to off, but first she *gets off* on him. Devon Lee plays Brad's girl, wearing one of the tiniest bikinis ever. Devon's killer curves get Brad hard so he works Devon over until he shoots a giant load over Devon's big, soft tits. Stormy returns to fuck her man, Marcus London, and gets her pussy pummeled before she has to bail. In comes Kaylani Lei, ready to take out Stormy, but instead is taken by Marcus, who bangs Kaylani's sweet, tight body. Kaylani cums hard before getting blasted by Marcus' cum and Stormy's gun. Who survives the final gun battle? We highly-recommend you check out this spy caper to see for yourself, and to see the best acting and sex performances by any cast so far in 2010.

OUTNUMBERED 5: THE FINAL CHAPTER ⚡⚡⚡⚡⚡ (Erik Everhard Ent.)

Starring: Sasha Grey, Lisa Ann, Heather Starlet, Katja Kassin, Missy Stone, Lela Star, Mia Rose, Lindsay Meadows, Amy Ried, Joey Valentine, Brianna Beach, Rebeca Linares, Aurora Snow.

Now this is our kind of gang bang! Being outnumbered by countless porn starlets who all crave something hard in each hole. The final chapter of the *Outnumbered* series features top-quality babes getting bathed in cum, having their mouths stuffed with cock and balls, and eating one another out as if pussy were going out of style. The guys wake up after a wild night of drinking and in need of some cleaning "services." They call up a bunch of naughty maids who clean up then whore it up. Sasha Grey and Lisa Ann get things started when they ride their boss' cocks. Then they lead the boys to a group of whores who all have their asses up, ready to be drilled. Missy Stone takes every inch of Erik Everhard's cock up that tight butt, while Katja Kassin does double duty and has both holes filled with cock. The guys then head to the hottest and wettest car wash ever, as a bevy of heavenly sluts await them to give them a rubdown. Aurora Snow plays the lead slut, as the girls strip out of their way-too-short shorts, exposing how wet these girls can really get, then letting the guys fuck at will at any and all available slut in sight. Amy Ried and Lela Star rock their super tight bodies while rocking some cock, while Aurora Snow and Rebeca Linares get a simultaneous DP rocking of their own. Plus it's an all-you-can-eat pussy-and-ass feast in one of the wildest group fuck scenes ever shot. If this is the final chapter, we've got to see how it all began. Prequel perhaps, but if this is it, you better score a copy. This is one of the hottest movies ever!

ALL STARS 2 ⚡⚡⚡⚡ (Digital Playground)

Starring: Black Angelika, Colette, Ella Brawen, Katrin Wolf, Britney, Aliz.

European fuck flicks are some of our favorites to jack off too, and this all-European cast definitely made us crank a few out. The girls are amazing, with an exotic appeal but with even more voracious sexual appetites than their American counterparts. We wish American babes were this dirty. The fucking gets off to a quick start. Black Angelika drops her robe to reveal one hell of a body, before getting a rubdown from her client, then getting poked in her ass and a facial blast on her slutty face. Britney and Katrin Wolf stop a motorist in his tracks, make him a tempting offer, then kneel down and work his cock in their mouths before getting slammed by their new fuck buddy. Colette is sunning and rubbing herself but wants what her man is packing, so she whips it out and gags on it, before he takes it and rams it in her creamy white ass. Ella Brawen is a nasty Euro whore who tempts and teases her man with a fine, curvy ass that he can't wait to fuck, but he makes sure he fucks her face and cunt before putting every inch inside her ass. This is really nasty stuff, and that's a very good thing!

CURVY GIRLS 5 ⚡⚡⚡⚡ (Elegant Angel)

Starring Eva Angelina, Rachel Starr, Nikki Sexx, Isis Taylor, Katie Kox

What is it about the curves of a woman's body that turns men into drooling, horny morons? Why does an hourglass figure make us stare uncontrollably, cloud our minds with lust, and make us twitch with desire? We're not sure, but director William H. seems to know. That's why the cast of *Curvy Girls 5* is such a delight. These shapely babes steal the show! All of the scenes start with solos of the girls, often outdoors and usually panned from the ground up, the camera lingering on the those dangerous curves. Rachel Starr kicks things off, getting Michael Stefano's rocks off with her rockin' bod. Isis Taylor also shakes those jiggy parts before giving James Deen a taste of her juicy peach. Eat up, James Deen! (Deen seems repentant later in the scene when he fires a cum-wad into Isis' eye—where are the safety goggles?) Nikki Sexx rides Manuel Ferrara in an ass-quivering cowgirl. Yee-haw! Katie Kox shows off her big-ass titties and big-ass ass while mounting Mick Blue. Superstar Eva Angelina takes Marco Banderas for a ride, blowing impressive cum bubbles with her Latin lover's spicy spunk. All this, plus a bonus scene where Jayden Jaymes does some great water tease before boning Anthony Rosano. Great stuff—these curvy girls are Grade-A!

SECRETARY'S DAY ⚡⚡⚡⚡ (Smash Pictures)

Starring: Georgia Jones, Celeste Starr, Sasha Grey, Nikki Rhodes, Sarah Vandella, Mackenzee Pierce.

Who knew hot whores could look so good in a business suit? Smash Pictures' *Secretary's Day 3* proves it's possible. But we like our porn stars naked, and these girls don't disappoint, getting on their knees and lying flat on their backs to take every inch of cock their bosses can squeeze into them. Sasha Grey gets recognized by one of her firm's clients, and keeps him happy by blowing his black stick then taking it deep inside her tiny stick figure. Sarah Vandella (aka Sarah Sloane) decides she wants to be the boss, so she makes her boss submit to her demands by pulling out his stiff wood and riding it. Mackenzie Pierce was supposed to let the repair guy fix up the copy machine, but she wants him to stick his tool in her tight teen butthole. She instantly drops her clothes, bends over, and lets him work her over and over again, until he creams her face. Celeste Starr is unhappy that her sexy secretary Georgia Jones can't do anything right, but she *does* find out she can eat pussy quite well, and keeps her on staff if she'll tongue Celeste's ass. Georgia does as she's told, and Celeste gets happy, especially when her face is plastered between Georgia's legs. These are the kind of secretaries we need to hire for the CHERI offices!

ALEXIS

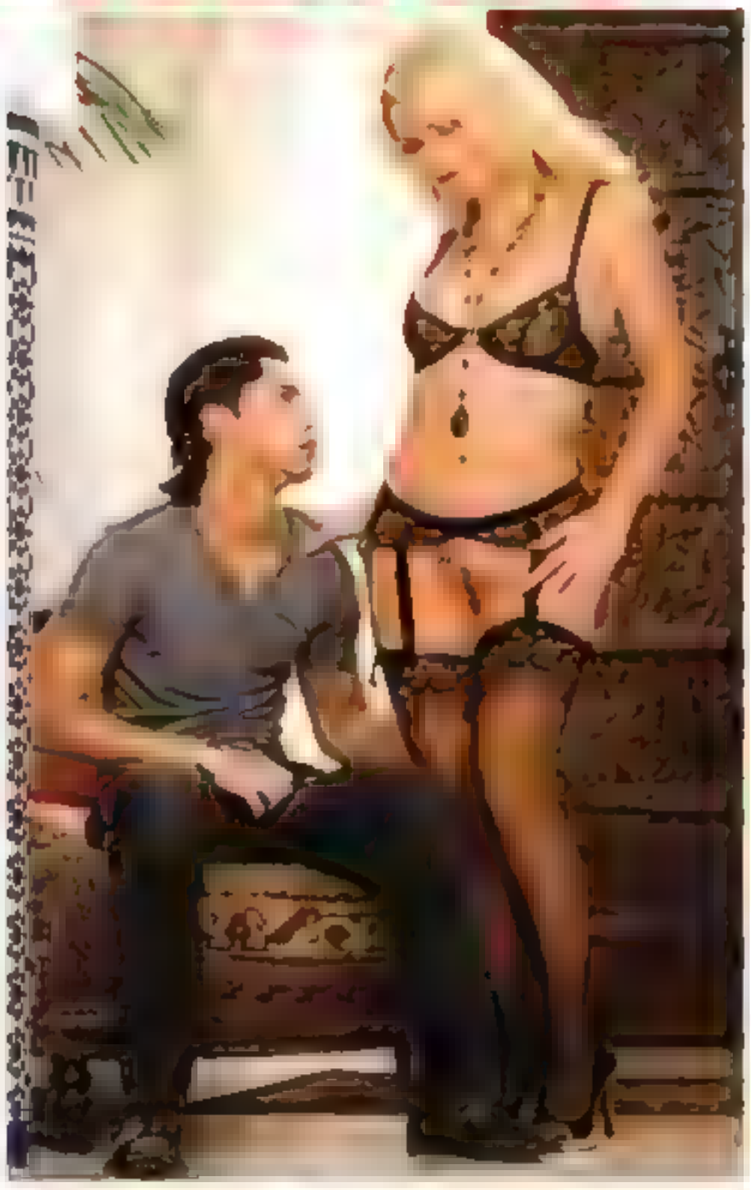
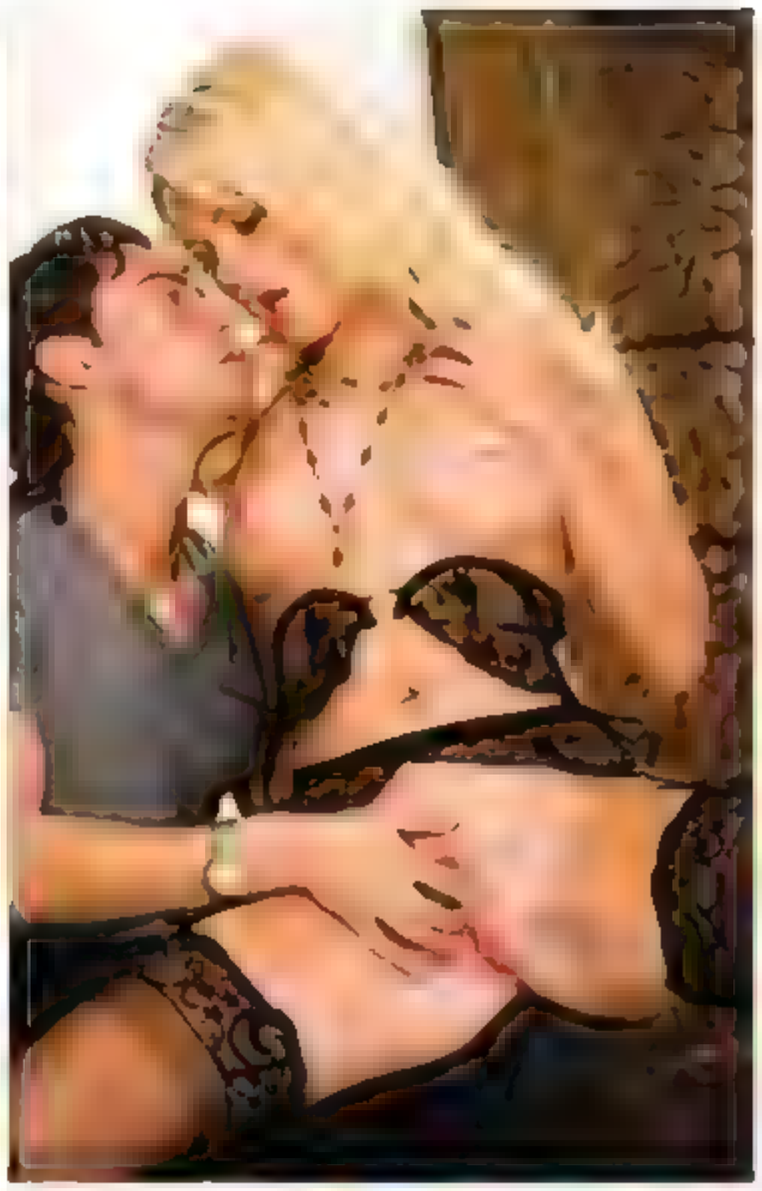
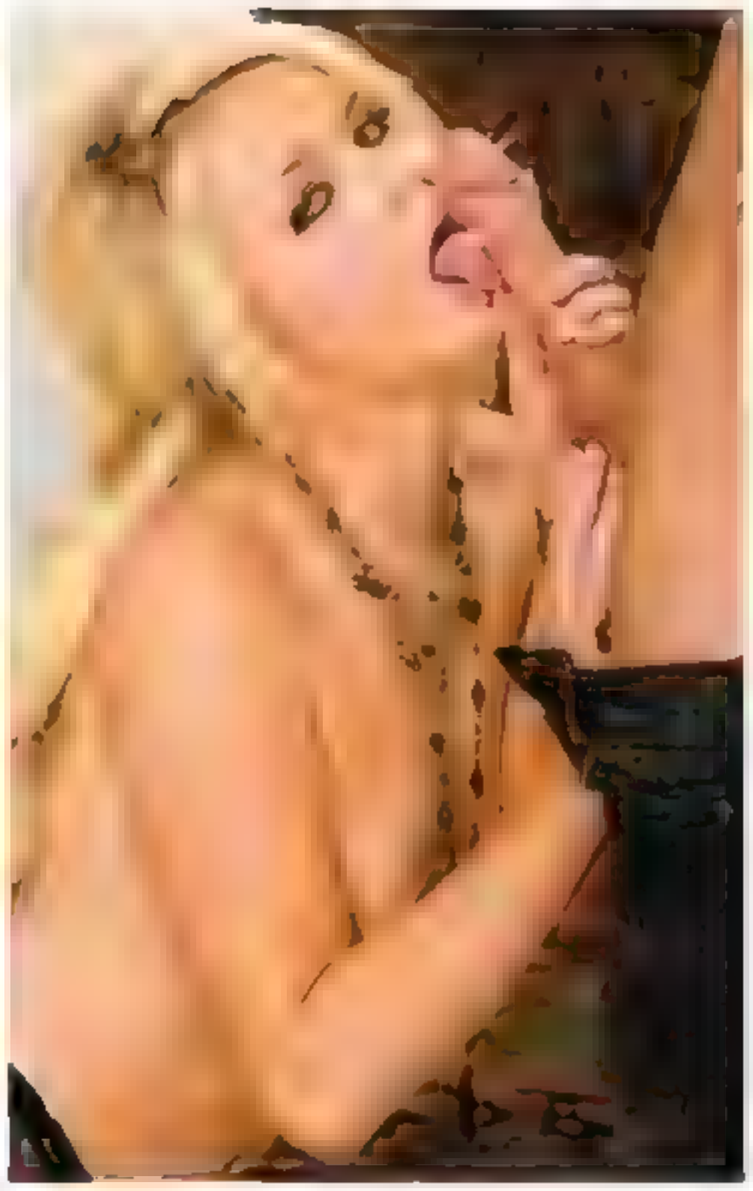
ALEXIS







When Alexis Ford arrived on the doorstep of the adult industry earlier this year, everybody took notice. Sure, the lovely, all-natural, blue-eyed blonde was gorgeous, but did she have the libido of a true porn star? Well, lots of performers and producers have tried out Alexis' talents, and none have complained. Most have hired her back a second time. One porn exec offered to abandon his wife and kids if Alexis would run away with him. Alexis Ford has become one of the most popular girls in the porn. "I think I've found my true calling in life," Alexis says, taking a break from slurping on Seth's dick. "I'm doing something I enjoy and that I'm good at. I figured, I love to fuck...why not do it professionally?" Why not, indeed, Alexis. You certainly seem to have the skills to pay the bills. When it comes to Fords, you're definitely more of a Mustang than a Taurus. How about you pop the trunk and let us see how much we can pack in there?

evelyn

lovely Evelyn Lory is a huge fan of the rock group Coldplay, and she wanted this photo set to be an homage to the group's breakout single, "Yellow." So if you're wondering why it looks like somebody pissed all over the wals and sheets, ask Evelyn. "'Yellow' is such a beautiful song," she says. "You know, Coldplay frontman Chris Martin wrote that song for his wife, Gwenyth Paltrow? I think that's so romantic. Every time I hear it, I fee al lovey-dovey...and a little horny, too!" Uh, listen Evelyn. We just Googled that tune, and it turns out Chris Martin *didn't* write it for Gwenyth. He was single when he wrote it. And the title? He was staring at a Yellow Pages phone book when he whole the lyrics. So, you know, it's actually not a very romantic song. Evelyn considers this, her head sagging and her shoulders slumped. "Wow. I can't believe it," she says "You guys just ruined my whole day. My whole life, really I loved that song! Now you've gone and shit all over it!" Sorry, Evelyn. Hey, maybe if you show us your tits and pussy, shake those boobs and spread that twat, you'll feel better. We know we sure would!

BRIDGET & LAETITIA

Laetitia invites her friend Bridget over to trade recipes for the big Bake Sale. But when Briaget arrives, she notices her friend is wearing a fishnet body stocking beneath her tight shirt and short skirt. Who wears a body stocking to a recipe swap? Only naughty girls who are more interested in eating bearded clam than baking cookies. Yes, Bridget sizes Laetitia up right away. She's quick to undress, and plant her wet labia on Laetitia waiting lips. Damn, Bridget tastes good! She's a good pussy-sucker, too. Laetitia learns this later, as she cums all over Bridget's face. But ladies, what about the Bake Sale? "Fuck it," Bridget says. "We'll get a box of Little Debbie's." Nothing but the best, girls!
